

Program Questions:

Recharge New York

Q_5737

If you are applying for an allocation of ReCharge New York ("RNY") power for your Facility, select "Yes" below. Subject to other program requirements, RNY Power allocations may be awarded for the purpose of supporting (1) the retention of an existing organization and jobs in the State (a "retention" allocation), or (2) a new business or the expansion of an existing business in the State (an "expansion" allocation). Please note that the governing law provides that "eligible applicant" does not include retail businesses, including, without limitation, sports venues, gaming or entertainment-related establishments or places of overnight accommodation. The applicable definition of "retail business" may be found at www.nypa.gov/RechargeNY/default.htm.

Q_3762

Does your project directly address the needs of people in your region who are living in poverty and who seek resources for inclusion in the economic life of New York State?

- Question Type: Basic
- Required: Yes
- Answer Type: Yes/No
- Scoring Tips:

In 2013 Regional Councils developed Opportunity Agendas to ensure poor communities were included in the economic revitalization spurred by the work and the funding of the Regional Economic Development Councils. Whether they are workforce skills training and job linkage programs to opportunities created by REDC priority projects, infrastructure improvements eliminating restrictions to economic growth in these areas, social services to address challenges facing the long-term unemployed, or transportation assistance to reach newly created jobs, each Opportunity Agenda seeks to bolster economic productivity across New York State by helping these communities overcome barriers to economic success.

Q_3766

Is this a Global NY Project?

- Question Type: Basic
- Required: Yes
- Answer Type: Yes/No
- Scoring Tips:

In REDC Round IV, applicants may link project proposals to identified goals of their region's Global Marketing and Export Strategies through the Global NY initiative. REDCs will classify priority and other projects that serve to fulfill export growth objectives as outlined in their plans.

More Global NY information:

“Global NY”— to Create Jobs and Attract International Investment

Upstate NY was once a national leader in international trade and investment, and it can be again. Governor Cuomo will launch Global NY to accomplish two complementary economic growth objectives: attracting international investment and jobs to Upstate New York and providing New York businesses with the tools and assistance they need to export their products to the international marketplace.

Global NY links the Governor's START-UP NY and Regional Economic Development Council initiatives. Through START-UP NY, the State has the opportunity to offer the powerful incentive of operating tax-free to attract

global companies seeking to expand in the United States. The Regional Economic Development Councils hold the key to developing a 21st century export strategy based on each region's resources, assets and goals. New Yorkers depend on world markets. The state's export shipments in 2012 totaled \$81.4 billion, putting New York in the top three exporting states. Foreign investment and export-supported jobs linked to manufacturing account for close to 10 percent of New York's total private-sector employment, and more than 40,000 companies export from New York ports of entry..Of those, nearly 95 percent are small and medium-sized enterprises with fewer than 500 employees; most are exporting high-tech products and other manufactured goods to growing and well established markets such as Canada (the state's top export partner), Hong Kong, the United Kingdom, Switzerland, Israel, Germany, and Mexico. New York's strength in merchandise export performance relies on strong regional economies. While New York's #3 ranking among exporting states is impressive, the NewNY can do even better.

REDCs Go Global: Regional Export Strategies

In 2014, the REDCs will be asked to develop and implement Global Marketing and Export Strategies, building foreign trade and investment approaches into their strategic regional planning efforts and thinking about how to improve efforts to "go global." The State will recognize and reward plans in REDC Round 4 that incorporate Global Marketing and Export Strategies. These strategies should be supported by detailed assessments of international commerce activity and identify new export opportunities while placing emphasis on regional economic supply chain strengths, such as advanced manufacturing and hightech services. Export markets are regional, and the Regional Economic Development Councils are ideally suited to reflect this reality. Widening the geographic lens in trade strategy development will allow REDCs to position their markets to better compete globally by assembling and aligning all related regional assets, such as key employers, top industries, workforce, higher education institutions and transportation infrastructure.

Some regions are already leading the way. For example, Central New York—anchored by the Syracuse metropolitan area—has benefited from a partnership with the Brookings Institution that resulted in a coordinated regional Export Plan.

Q_3462

Select the utility providing current delivery service at the FACILITY:

- Question Type: Standard Question
- Required: Yes
- Answer Type: Single Choice Radio Button
- Choice Options: Central Hudson Gas and Electric Corporation, Con Edison Company of New York, PSEG Long Island, National Grid, New York State Electric and Gas, Orange and Rockland Utilities Inc., Rochester Gas and Electric, Municipal Electric District/Rural Electric Cooperative, Other
- Scoring Tips:

If the applicant applying for an allocation is a new FACILITY, it is appropriate to provide information regarding the anticipated electric service at the new location.

Attention National Grid customers only: the National Grid delivery tariff requires that an interval meter be present to enable National Grid to deliver ReCharge NY power to a facility. In the event your company is awarded a ReCharge NY power allocation, an interval meter must be installed if not already present, prior to National Grid delivering the allocation. This requires a one-time charge by National Grid to the customer. For further information Please call National Grid's Commercial & Industrial Call Center at 1-800-664-6729. Also please note that whether or not your National Grid account(s) has an interval meter has no bearing on the evaluation of your application for ReCharge NY
