

## Program Questions: Community Resilience and Flood Risk Reduction Grants

### Q\_18347

Are you an eligible applicant as defined by the Community Resilience and Flood Reduction Grants Request for Applications? See Question Requirements for document link and more details.

### Q\_16364

Are you able to provide the required match of at least 10% of total eligible project cost?

### Q\_16365

Is the State assistance request for grant funding equal to or more than the required Program(s) minimum? See Question Requirements for Program minimums.

### Q\_928

Project Street Address: Please input the project street address (Street Number and Street Name only).

If the project has multiple locations, please input the primary street address of the project. If the project does not have a definite street address, please input the approximate street address of the project (Street Number and Street Name only).

### Q\_565

Project City

### Q\_972

Project county or counties.

### Q\_568

Project State

• Choice Options: AA,AL,AK,AZ,AR,CA,CO,CT,DE,FL,GA,HI,ID,IL,IN,IA,KS,KY,LA,ME,MD,MA,MI,MN,MS,MO,MT,NE,NV,NH,NJ,NM,NY,NC,ND,OH,OK,OR,PA,RI,SC,SD,TN,TX,UT,VT,VA,WA,WV,WI,WY,AS,DC,FM,GU,MH,MP,PW,PR,VI

### Q\_1034

Project ZIP Code. (please use ZIP+4 if known)

### Q\_3527

US Congressional District where the project is located. (This question's value will be filled automatically, based on the project address, when the application is finalized.)

• Choice Options: 1,2,3,4,5,6,7,8,9,10,11,12,13,14,15,16,17,18,19,20,21,22,23,24,25,26,27

### Q\_616

For more than one project location, please provide full address(es) for each location. If Not Applicable, indicate "NA".

### Q\_572

Project Latitude (This question's value will be filled automatically, based on the project address, when the application is finalized.)

### Q\_573

Project Longitude (This question's value will be filled automatically, based on the project address, when the application is finalized.)

### Q\_184

NYS Assembly District where the project is located. (This question's value will be filled automatically, based on the project address, when the application is finalized.)

### Q\_190

NY Senate District where the project is located. (This question's value will be filled automatically, based on the project address, when the application is finalized.)

### Q\_549

Provide a list of all federal, state, and local reviews, approvals, or permits needed or completed, including the dates when they are expected to be completed or were completed. If Not Applicable, indicate "NA".

**Q\_12606**

Does this project require State and/or Federal Environmental Review?

- This is a conditional question.

1. If **Yes** is selected then these questions will be displayed:

- [Q\\_2364](#)
- [Q\\_12607](#)

#### **Q\_2364**

What is the status of State and/or Federal Environmental Review?

- This is a conditional question based on the answer to [Q\\_12606](#). This question displays when selecting the answer: "Yes"

#### **Q\_12607**

Please indicate the lead agency (if applicable).

- This is a conditional question based on the answer to [Q\\_12606](#). This question displays when selecting the answer: "Yes"

#### **Q\_12604**

Has a National Environmental Policy Act (NEPA) Record of Decision been issued?

- This is a conditional question.  
1. If **Yes** is selected then [Q\\_1054](#) will be displayed

#### **Q\_1054**

Please explain decision and include date of Record of Decision.

- This is a conditional question based on the answer to [Q\\_12604](#). This question displays when selecting the answer: "Yes"

#### **Q\_16596**

Submit one or more map(s), to scale, identifying the project location(s) or delineating the project area. At least one project map must be at a 1:24000 scale or a closest, best fit.

#### **Q\_16298**

If applying for an Inland Flooding and LWRP implementation project, submit map(s), to scale, identifying the project location(s) or delineating the project area and the boundary of the relevant LWRP or LWRP Component or Watershed Management Plan watershed boundary.

#### **Q\_18349**

Submit any document(s) that show evidence of flooding events or demonstrate flood risk vulnerability at the project site. See Question Requirements for example documents.

#### **Q\_16614**

Submit required site plans and feasibility studies, engineering reports and/or design drawings that support your project work plan. See Question Requirements for more details on required documents.

#### **Q\_18378**

Submit permits and SEQRA determination where applicable and available to support your project work plan. If permits or SEQRA determination have been received or completed, the applicant should submit these items.

#### **Q\_16619**

For all projects, submit proof of site control for all properties where improvements will be made. If site control is in the process of being secured, attach all supporting documentation such as draft easements, letters of intent, or evidence of ongoing negotiations. See Question Requirements link for more information on acceptable documentation of site control.

#### **Q\_1978**

Attach resolutions, municipal agreements, executed Intermunicipal Agreements or other items to the submission to help illustrate support for the application/project.

#### **Q\_6946**

Please provide Letters of Support for your project (if applicable). All letters should be scanned into a single PDF file and their total size cannot exceed 30 Megabytes (MB).

#### **Q\_16594**

Submit the NYS DOS Environmental Bond Act Budget Summary & Detail to demonstrate eligible costs and required local match and only include costs that would be eligible for funding or will be used for local match. See Question Requirements for instructions.

#### **Q\_16595**

Submit an itemized cost estimate for all project components being submitted to the Community Resilience and Flood Risk Reduction Program, as described in your project scope of work.

#### **Q\_12239**

Applicants are required to submit the MWBE Compliance Form with their application confirming their understanding of the MWBE requirement and agreeing to show due-diligence and make good faith efforts to provide meaningful participation by MWBEs, whenever possible, if awarded the contract. The MWBE Compliance Form is available at <https://dos.ny.gov/funding-bid-opportunities>.

**Q\_18451**

If applicant type is Not-for-Profit, attach documentation that entity is incorporated pursuant to New York State Not-For-Profit Corporation Law and approved for tax-exempt status under the Internal Revenue Service code.

**Q\_18350**

Which Program(s) under the Community Resilience and Flood Risk Reduction Grants Program are you applying to? See Question Requirements for more information.

- Choice Options: Coastal Rehabilitation and Resilience Projects, Inland Flooding and LWRP Implementation Projects, Both

**Q\_16615**

Identify the State, Regional, or Local Plan or Program that the project is identified in or implements the goals of.

**Q\_16303**

Describe how the proposed project will advance the implementation of a Local Waterfront Revitalization Program or LWRP Component. In the response, provide the name of the specific LWRP or LWRP Component - including Watershed Management Plans - the project will implement. If applying for Coastal Rehabilitation and Resilience project funding only, respond 'NA'.

**Q\_16302**

Indicate the name of Waterbody(s) and/or Waterway(s) that make(s) the applicant-municipality eligible for Community Resilience and Flood Risk Reduction Grants funding for the proposed project.

**Q\_13965**

Is this grant application being submitted by a County, with the consent and acting on behalf of one or more village, town, or city?

- Choice Options: Yes,No
- This is a conditional question.
  1. If Yes is selected then **Q\_13962** will be displayed

**Q\_13962**

If yes, list all eligible municipalities participating in the project and attach a letter or resolution from each municipality which demonstrates their consent and support for the application. See Question Requirement link for instructions.

- This is a conditional question based on the answer to [Q\\_13965](#). This question displays when selecting the answer: "Yes"

**Q\_16604**

Identify the current legal owner(s) for all properties where improvements will be implemented. See Question Requirements for more information on acceptable documentation of site control.

**Q\_16367**

Briefly describe what project development has been completed to date. Include any planning, analysis, design, permitting, or construction activities that have progressed the project work.

**Q\_16301**

Indicate the level of design and construction that will be completed with funding.

- Choice Options: Final Design and Construction, Construction

**Q\_16603**

Describe how the project will be implemented including project scope of work, project readiness, and time frame. Identify the set of discrete tasks necessary to complete the scope of work and deliverables associated with each task. For each task provide associated cost, key project personnel, and a schedule for completion.

**Q\_18351**

Describe the selection process for the proposed project scope including alternatives considered.

**Q\_16896**

Describe your long-term operation and maintenance plan for each project. Provide a detailed explanation of the workforce (e.g. municipal staff), funding, frequency and maintenance activities that will ensure the success of the project throughout its estimated useful life

**Q\_16292**

How does the proposed implementation project incorporate the New York State Department of State Resilience Principles? Identify each relevant Resilience Principle and describe how the project demonstrates or leverages the principle. See Question Requirements for link to NYS DOS Resilience Principles.

**Q\_16887**

Is the proposal part of a larger transformative project or plan, such as a comprehensive plan or climate change adaptation and resilience plan, aimed at increasing municipal environmental, economic, and/or social benefits?

**Q\_12344**

List all the municipalities (County, City, Town and Village) covered by the project.

**Q\_16601**

Describe the Regional and Local significance of the proposed project. Must address each separately. Identify any regionally or locally significant resources or amenities improved or protected by the project, issues or opportunities it addresses and/or partnerships it leverages.

**Q\_18352**

If applicable, describe how the proposed project prioritizes accessibility to people of all ages and physical, cognitive and sensory abilities.

**Q\_18361**

Is the project site (physical address) located within a municipality with a Disadvantaged Community (DAC) population? NYS DOS Bond Act List of Municipalities that Contain DAC Populations and Question Requirements to assist in completing this question. Please select one of the following.

- Choice Options: Project is within a municipality with a DAC population of 81-100%, Project is within a municipality with a DAC population of 61-80%, Project is within a municipality with a DAC population of 41-60%, Project is within a municipality with a DAC population of 20-40%, Project is within a municipality with a DAC population of 1-19%, Project is within a municipality with no DAC population

**Q\_18354**

Describe how the proposed project will protect, conserve, enhance or restore Natural Resource(s). Include any impacts to surface and/or groundwater flow, natural processes and/or water quality.

**Q\_16617**

Describe and provide documentation on the project site location's overall flood risk and how the project will reduce flood risk or increase flood protection. Describe how the project site is impacted by frequent flooding or describe how a project will increase capacity to store or retain stormwater.

**Q\_16892**

For each project within the 1% (100-year) or 0.2% (500 year) annual chance of occurrence floodplain flood hazard area, explain how the project demonstrates flood resilience that is consistent with the New York State Flood Risk Management Guidance for Implementation of the Community Risk and Resiliency Act. Answer N/A if this question does not apply to your project.

**Q\_16810**

Indicate if the proposed project is located in a floodplain, Coastal Erosion Hazard Area (CEHA), and/or a locally determined at risk area and if so, describe how the proposed project will be resilient to flooding and/or erosion risks. See Question Requirements link for instructions.

**Q\_16893**

Will the project(s) reduce flooding or risk to a critical facility/critical infrastructure? Explain how each project will mitigate flood impact or otherwise protect critical facilities/infrastructure.

**Q\_16894**

Explain how each project will mitigate flood impact or further protect existing infrastructure (i.e., homes, business, roads bridges, etc.).

**Q\_16895**

Describe how each project will sustainably enhance resilience to climate impacts such as sea level rise, increased rainfall, and/or increased likelihood of flooding.

**Q\_16600**

Describe the local capacity and effective organizational structure to complete the project, and if applicable the quality of applicant performance under previous Federal or State grant contracts, including EPF LWRP.

**Q\_1434**

Describe the administrative structures in place to administer the requested grant. Identify individuals who will be responsible for specific tasks, such as contract and grants administration, fiscal accounting, and project management. For those managers and professionals already hired, describe their qualifications. Summarize consultant selection process and schedule, noting whether it is completed, underway or proposed. For future hires, describe qualifications sought and procurement/hiring method.

**Q\_16609**

Describe and document how the budget and costs were determined, how the budget includes adequate detail for all project components involved, is cost-effective, presents necessary and realistic costs, and does not contain extraneous expenses.

**Q\_16608**

Describe matching share in detail, noting amount, source (including any restrictions on the use of funds from that source), type (cash, donated, in-kind), and if it is or when it will be available.

**Q\_16371**

Has the applicant or project been awarded prior State, Federal, or other funding and what was the amount and source of the funding? Please explain.

**Q\_18342**

If you are applying to more than one program as part of this CFA application, please describe if you are seeking full funding from any of the programs or if you are seeking partial funding from multiple programs. Include dollar amount(s) in your answer.

### Q\_16605

Do you have plans to apply to other funding programs to support this project? Will your project still be viable if you do not receive all funding requested? Please explain.

### Q\_18477

Responses to questions Q\_16371, Q\_18342 and Q\_16605 are used to evaluate applications for both RWG and Community Resilience and Flood Risk Reduction Grants program applications, even if displayed under another section. Have questions Q\_16371, Q\_18342 and Q\_16605 been completed to contain all information relevant to the proposed Community Resilience and Flood Risk Reduction Grants project?

### Q\_13611

The NYS Smart Growth Public Infrastructure Policy Act requires that a public infrastructure project meet the relevant smart growth criterion to the extent practicable. Public Infrastructure projects consist of construction or reconstruction of transportation, sewer, wastewater treatment, water, education, housing and other publicly supported infrastructure. Does the proposed project build new public infrastructure, expand public infrastructure or use, maintain, or improve existing public infrastructure?

If you are maintaining or improving existing public infrastructure, please answer "YES". If you are building new public infrastructure or expanding public infrastructure, please answer "YES".

If this this is not applicable to your project, answer "NO".

- This is a conditional question.
  1. If Yes is selected then these questions will be displayed:
    - [Q\\_13612](#)
    - [Q\\_13613](#)
    - [Q\\_13614](#)
    - [Q\\_13615](#)
    - [Q\\_13616](#)
    - [Q\\_13617](#)
    - [Q\\_13618](#)
    - [Q\\_13619](#)
    - [Q\\_13620](#)
    - [Q\\_13621](#)
    - [Q\\_13622](#)
    - [Q\\_13623](#)

### Q\_13612

Explain how the proposed project will use, maintain, or improve existing infrastructure.

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13613

Please explain the need to build new infrastructure instead of using or improving existing infrastructure. If n/a, please type N/A.

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13615

Please explain how the proposed project is located in a developed area or an area designated for concentrated infill development in a municipally approved comprehensive land use plan, local waterfront revitalization plan and/or brownfield opportunity area plan. Specifically, explain how your project advances infill development or redevelopment in existing developed areas consistent with an approved plan. Infill development includes redevelopment, rehabilitation and new development between existing buildings on vacant or under-utilized sites.

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13616

Please explain how the proposed project will protect, preserve and enhance the State's resources, including agricultural land, forests, surface and groundwater, air quality, recreation and open space, scenic areas, and significant historic and archeological resources. Beyond simply avoiding or minimizing negative environmental impacts, please indicate the resources that may be impacted by your project and how your project will preserve and enhance these resources.

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13617

Please explain how the proposed project will foster mixed land uses and compact development, downtown revitalization, Brownfield redevelopment, the enhancement of beauty in public spaces, the diversity and affordability of housing in proximity to places of employment, recreation and commercial development and the integration of all income and age groups. Specifically, explain how your project advances these objectives and improves the quality of life in your community.

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13618

Please explain how the proposed project will provide mobility through transportation choices including improved public transportation and reduced automobile dependency. There are many alternatives to automobile transportation. Please explain how your project provides or complements alternatives to automobile travel such as bikes, pedestrians, public transit, air travel or rail travel.

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13619

Please explain how the proposed project will involve coordination between state and local government and inter-municipal and regional planning. Identify any interaction between the applicant and any municipal and county governments, planning boards, regional planning associations or similar organizations. Document any outreach by the applicant to these organizations regarding the project and any relevant correspondence.

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13620

Please explain how the proposed project will involve participation in community-based planning and collaboration. Specifically, explain how the project results from an inclusive, multi-stakeholder (including traditionally underserved populations) process of community-based planning and collaboration. To assist with your explanation, identify any affected community groups or organizations with an interest in the proposed project and if the planning process involved outreach to citizens and stakeholders at all stages of development of the project.

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13621

Please explain how the proposed project will ensure predictability in building and land use codes. Provide any additional relevant information.

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13622

Please explain how the proposed project will promote sustainability by strengthening existing and creating new communities which reduce greenhouse gas emissions and do not compromise the needs of future generations, by among other means encouraging broad based public involvement in developing and implementing a community plan and ensuring the governance structure is adequate to sustain its implementation. Specifically, explain how your project promotes sustainability. For example, does your project include buildings and plans that seek to minimize consumption of fossil fuels (coal, petroleum), reduce water usage / consumption, and encourage the use of renewable energy (wind, solar, and geo-thermal).

- This is a conditional question based on the answer to [Q\\_13611](#). This question displays when selecting the answer: "Yes"

### Q\_13623

Please explain how the proposed project will mitigate future physical climate risk due to sea-level rise, and/or storm surges and/or flooding, based on available data predicting the likelihood of future extreme weather events, including hazard risk analysis data.

Specifically, explain how your project demonstrates that future physical climate risk due to sea-level rise, storm surge and flooding have been considered. For example, have you demonstrated consideration of the flood risk applicable to your specific structure type? Explain how the siting and design have evaluated flood-risk considerations, including, but not limited to, human health and safety, environmental effects, cost, funding-source requirements, feasibility and community impact.
