Q_3116

Have any of the expenses for this project (or, in the case of a multi-phase project, the phase of the project for which funds are being requested) been incurred or are expected to be incurred prior to an award for funding?

- Question Type: Threshold
- Required: Yes
- Answer Type: Yes/No
- Question Requirements:

ESD funding awards are offered as an incentive to undertake a project. Therefore, ESD cannot consider assistance for project activities commenced or committed to (such as ordering machinery and equipment and committing to land purchase) prior to the announcement of funding awards. In addition, investment and expenses incurred prior to submission of a CFA should not be included in project budgets. By selecting no, you are confirming that project activity (or, in the case of a project with multiple stages, activity for the project stage described in this application) will not commence or be committed to prior to the announcement of funding awards. If your project has extenuating circumstances that present a conflict with this requirement, please contact your ESD Regional Office.

Blanket assertions that information is a trade secret, confidential, or proprietary are insufficient to justify withholding information under FOIL. The identified information will be reviewed and a determination will be made as to whether the information is exempt from disclosure under FOIL. Municipal Centers are areas of concentrated and mixed land use that serve as centers of various activities (civic, commercial, recreational, and residential, among others). Specific examples include Central Business Districts; Brownfield Opportunity Areas (BOAs); Downtowns in Local Waterfront Revitalization Program (LWRP) Areas; Transit-Oriented Development; Environmental Justice Areas and Hardship Areas; in many instances, an entire city, village or hamlet can be considered a municipal center. This definition can include development "adjacent to municipal centers" and a "future municipal center" – an area planned and zoned to be a municipal center.

For specific guidance on rail/port, aviation, and other transportation projects please refer to [Smart Growth Public Infrastructure Policy Act](#)

Q_13615

Please explain how the proposed project is located in a developed area or an area designated for concentrated infill development in a municipally approved comprehensive land use plan, local waterfront revitalization plan and/or brownfield opportunity area plan.
