For applications submitted by a not-for-profit organization or regional planning council on behalf of a county, the application must include a letter or resolution from the county participating in the project which demonstrates its consent and support for the application to be submitted on their behalf. Please attach a letter or resolution for applicants applying on behalf of a county.

Q_12239

Applicants are required to submit the MWBE Compliance Form with their application confirming their understanding of the MWBE requirement and agreeing to show due-diligence and make good faith efforts to provide meaningful participation by MWBEs, whenever possible, if awarded the contract. The MWBE Compliance Form is available at <https://dos.ny.gov/funding-bid-opportunities>.

Q_19038

Applicants are required to complete and submit the Gender-Based Violence and the Workplace Certification to certify that their organization has in place and has implemented a Gender-Based Violence and the Workplace Policy and has provided such policy to all of its employees, directors and board members. The certification may be found here: <https://dos.ny.gov/procurement-forms>. Such policy shall, at a minimum, meet the requirements of subdivision 11 of section five hundred seventy-five of the executive law. If the bidder cannot make this certification, they must include a signed statement setting forth in detail the reasons therefor.

Q_13109

Non-municipal applicants must comply with Executive Order No. 16, prohibiting State agencies and authorities from entering into any new contract or renewing any existing contract with an entity conducting business in Russia. This requirement does not apply to municipalities, however, all non-municipal applicants must complete and attach the Certification Form which can be found at https://ogs.ny.gov/system/files/documents/2022/04/co16_certification.pdf

Q_15763

Attach resolutions, municipal agreements, executed Intermunicipal Agreements or other items to the submission to help illustrate support for the application/project .

Q_12241

Please provide Letters of Support for your project (if applicable). All letters should be scanned into a single PDF file and their total size cannot exceed 30 Megabytes (MB).

Q_19035

Complete a DOS Budget Summary & Detail table to demonstrate eligible costs. Document is available at the link provided.

Q_19244

Describe the community or area that is the subject of the proposed work. The description should be a brief, general overview of the place, focused on geography, character, population, economy, and environment.

Q_19190

Statement of need: Provide a brief summary of the need for the project in the geographic area proposed.

Q_19242

Explain how completing this project will advance priority project identification and implementation. Identify the specific future funding sources you intend to pursue (e.g., Clean Water, Clean Air, and Green Jobs Environmental Bond Act; Climate Smart Communities; Federal grants programs; or local capital funds) and provide a realistic strategy and timeline for securing these funds.

Q_19195

Provide a concise press-ready project description (500 characters or less) which identifies the grant recipient and other major project partners, provides a brief description of the project scope of work and describes the project goals/objectives.

Q_19198

Describe the local capacity and administrative/organizational structure in place to advance and complete the project. Identify the individuals who will be responsible for specific tasks, such as contract and grants administration, fiscal accounting, and project and consultant management, and describe their relevant experience.

Q_19058

Describe how the project will be implemented using a complete scope of work. Identify the set of discrete tasks necessary to complete the project and for each task provide relevant deliverables, anticipated timeframe, key personnel or parties responsible for completion, and cost per task.

Q_19211

Describe how resilience strategies, actions and priority projects identified in established local plans will be advanced and readied for implementation via this program. These plans must reflect local priorities and include actionable items developed through community engagement or public input. These plans may focus on water quality, natural resources, or sustainable land use and include, but are not limited to, Coastal Lakeshore Economy and Resiliency Regional (CLEAR) Plans, Comprehensive Plans, Harbor Management Plans, Hazard Mitigation Plans, Local Waterfront Revitalization Plans (LWRPs), Natural Resource Management Plans, Resilient NY flood mitigation studies, and Watershed Management Plans.

Q_19212
