Project Description. Concisely describe the project, indicating the location, what will be planned, designed, acquired, and/or constructed, the issues/opportunities to be addressed, and expected outcomes and deliverables. Additional details will be collected later in the application process.

Q_4160

For each program to which you are applying under the CFA, explain your strategy for proceeding if the full amount of requested funding, required matching funds, and temporary financing are not secured as expected, or committed sources become unavailable. This explanation must address any proposed project phases, and both CFA and non-CFA sources of funds.

Q_19185

Please enter your SFS ID number

Q_19170

If you are applying for this program jointly with another municipality or are a county, regional planning entity or soil and water conservation district applying on behalf of an eligible municipality, please attach a Memorandum of Understanding or municipal resolution demonstrating the consent and support of all participating entities and identifies the primary applicant.

Q_19174

Include a map with the proposed project site.

Q_19175

Include a risk area map identifying the project site and areas of high-risk for coastal erosion, flooding, or other climate-related impacts affecting Lake Ontario's shoreline and associated ecosystems as documented by the NYS Geographic Information Gateway, FEMA Flood Map Service Center, DEC Info Locator, NYS Climate Impacts Assessment, or other relevant state or federal tool.

Q_12239

Applicants are required to submit the MWBE Compliance Form with their application confirming their understanding of the MWBE requirement and agreeing to show due-diligence and make good faith efforts to provide meaningful participation by MWBEs, whenever possible, if awarded the contract. The MWBE Compliance Form is available at <https://dos.ny.gov/funding-bid-opportunities>.

Q_19038

Applicants are required to complete and submit the Gender-Based Violence and the Workplace Certification to certify that their organization has in place and has implemented a Gender-Based Violence and the Workplace Policy and has provided such policy to all of its employees, directors and board members. The certification may be found here: <https://dos.ny.gov/procurement-forms>. Such policy shall, at a minimum, meet the requirements of subdivision 11 of section five hundred seventy-five of the executive law. If the bidder cannot make this certification, they must include a signed statement setting forth in detail the reasons therefor.

Q_15763

Attach resolutions, municipal agreements, executed Intermunicipal Agreements or other items to the submission to help illustrate support for the application/project .

Q_12241

Please provide Letters of Support for your project (if applicable). All letters should be scanned into a single PDF file and their total size cannot exceed 30 Megabytes (MB).

Q_19035

Complete a DOS Budget Summary & Detail table to demonstrate eligible costs. Document is available at the link provided.

Q_13013

Provide a concise press-ready project description (500 characters or less) which identifies the grant recipient and other major project partners, provides a brief description of the project scope of work and describes the project goals/objectives.

Q_19196

Statement of need: Provide a brief summary of the need for the project in the geographic area proposed and the project's financing needs, including funding gaps of the proposed project.

Q_17683

Describe the community or area that is the subject of the proposed work. The description should be a brief, general overview of the place, focused on geography, character, population, economy, and environment.

Q_19202

Identify the current design or engineering status of the proposed project (e.g., conceptual, site plan, or no existing design). Specify the exact deliverables this grant funding will produce (e.g., Feasibility Study, Engineering Report, Preliminary Design, or 30% Design) and explain how these deliverables will meet the minimum requirements outlined in Section IV of the Request For Applications.

Q_19172

Explain how the project is located in an area identified as high-risk for coastal erosion, flooding, or other climate-related impacts affecting Lake Ontario's shoreline. Describe current or future hazards, and how those hazards may negatively impact the community.

Q_19173

Describe the anticipated resilience benefits and long-term outcomes of the proposed project including the reduction of hazard risk, protection of assets, ecosystem benefits, public benefits, and broader community benefits.

Q_19182

Describe how the proposed project is identified as a priority in existing planning efforts such as a comprehensive plan, hazard mitigation plan, Local Waterfront Revitalization Plan (LWRP), CLEAR plan, or climate adaptation plan.

Q_19176

Describe how the project design(s) will implement nature-based shoreline protection measures, resilient stormwater infrastructure, and/or blue-green infrastructure that directly benefit Lake Ontario coastal ecosystems and communities.

Q_19177

Describe how the project design incorporates and advances the principles of Article 14 of the NYS Environmental Conservation Law as outlined in the Request for Applications.

Q_19178

Describe how the project design will contribute to the overall goals of the CLEAR Initiative and enhance the resilience of coastal communities along Lake Ontario.

Q_19180

Describe how the project will incorporate the NYSDOS Resilience Principles and which principles the project incorporates.

Q_19181

Explain how the project will prioritize non-structural or nature-based approaches to promote resiliency.

Q_19179

Explain how completing the design, feasibility, or engineering work under this grant will reduce barriers to project implementation and make the project competitive for construction funding. Identify the specific future funding sources you intend to pursue (e.g., Clean Water, Clean Air, and Green Jobs Environmental Bond Act, Climate Smart Communities, federal grants, or local capital funds) and provide a realistic strategy and timeline for securing these funds once your 30% design is complete.

Q_17715

Describe the local capacity and administrative/organizational structure in place to advance and complete the project. Identify the individuals who will be responsible for specific tasks, such as contract and grants administration, fiscal accounting, and project and consultant management, and describe their relevant experience.

Q_19171

Is the Applicant able to provide the required local portion (10%) of the total eligible costs of this project?

Q_19201

Describe your plan for public input and community engagement during the design process. Specifically, identify the members or roles of your proposed Project Committee, confirming that it will include at least one local resident who is not an elected official or municipal employee. Detail how the committee will advise on site selection and design reviews, and outline your strategy for broader public outreach (e.g., public meetings, surveys, or workshops).

Q_19197

Estimated Project Timeline: include project start/completion dates, estimates for design and planning including public outreach.

Q_19184

Describe and document how budget and costs were determined. Identify the person(s) responsible for compiling the budget; include relevant experience working on similar projects and the background of all parties. Include the method/approach that was used to arrive at estimates.

Q_19058

Describe how the project will be implemented using a complete scope of work. Identify the set of discrete tasks necessary to complete the project and for each task provide relevant deliverables, anticipated timeframe, key personnel or parties responsible for completion, and cost per task.

Q_1037

By entering your name in the box below, you certify and agree that you are authorized on behalf of the applicant and its governing body to commit the applicant to comply with the requirements of Article 15-A of the New York State Executive Law: Participation By Minority Group Members and Women With Respect To State Contracts by providing opportunities for Minority-owned Business Enterprise (MBE)/Woman-owned Business Enterprise (WBE) participation. You further certify that the applicant will maintain such records and take such actions necessary to demonstrate such compliance throughout the completion of the project.

Q_1038

By entering your name in the box below, you certify that you are authorized on behalf of the applicant and its governing body to submit this application. You further certify that all of the information contained in this Application and in all statements, data and supporting documents which have been made or furnished for the purpose of receiving assistance for the project described in this application, are true, correct and complete to the best of your knowledge and belief. You acknowledge that offering a written instrument knowing that the written instrument contains a false statement or false information, with the intent to defraud the State or any political subdivision, public authority or public benefit corporation of the State, with the knowledge or belief that it will be filed with or recorded by the State or any political subdivision, public authority or public benefit corporation of the State, constitutes a crime under New York State Law.

Q_19187

By entering your name in the box below you are submitting an application under the CLEAR Implementation Design Grant and hereby certify that all components of the requested Total Project Cost are reasonable and necessary for the conduct of the proposed project and that prudent analysis has been undertaken, as outlined below, to ensure that all costs are consistent with current prevailing costs for such goods and services in the geographic area that will benefit from the project.
