Mr. Joseph A. Jastrzemski
County Clerk
Niagara County Clerk's Office
175 Hawley Street, 1st Floor
Lockport, NY 14095-0461

Dear Mr. Jastrzemski:

I have been informed that your office is currently using the MTA's Federally registered trademark "If you see something, say something" in a campaign encouraging citizens to call U.S. Immigration & Customs Enforcement (ICE) if they see someone they think could be an undocumented immigrant applying for a NYS driver's license when the "Green Light Law" takes effect this Saturday.

Your above use of MTA's registered trademark "If you See Something Say Something" is not authorized by MTA. This is to demand that you immediately cease and desist your unauthorized use of this trademark and, by 5 PM today, (December 10, 2019) confirm to me by reply email the actions you are taking to stop the unauthorized use of MTA's trademark.

Please note that, if you should request authorization for the above use, the request would be denied. MTA registered this trademark in 2010 specifically to limit its use to communicating messages about counterterrorism programs. Your unauthorized use of the mark is in support of encouraging people to report suspected undocumented immigrants; this is both abhorrent and unrelated to counterterrorism.

Please reply no later than 5:00 p.m. today to acknowledge receipt of this notice and your intention to comply with this demand.

We anticipate and appreciate your understanding and cooperation.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark R. Heavey".
