

Join us for inclusive, family-friendly birding!

All ages, abilities, and levels of birding experience are welcome at this event. Some adaptive equipment will be available. Guests will be encouraged to use sight and sound to find a variety of birds.

- **WHAT:** Free birding
- **WHERE:** Braddock Bay Park, 199 E. Manitou Road, Rochester, NY 14612
- **WHEN:** April 13, 2023, 5:30–7:00 p.m.

Volunteers with Braddock Bay Raptor Research, Genesee Valley Audubon Society, and Rochester Birding Association will be leading groups through a loop of birding locations around the Donald Schlieter Enclosed Pavillion.

Accessible restrooms and parking are available at the pavilion. Participants should be prepared for the weather (rain or shine event). A limited number of binoculars and monoculars will be available for use at the event.

**IT'S
FREE!**
