Cross Bay Bridge Southbound Lane Closures Begin Monday November 28

Two out of three southbound (to Rockaway) lanes on the Cross Bay Veterans Memorial Bridge will be closed around-the-clock on weekdays starting the week of November 28, for approximately three weeks with the exception of weekends. One southbound lane remains open at all times.

The closures are necessary to allow for roadway joint repairs. Motorists should expect delays in the Rockaway-bound direction and plan accordingly.

Motorists can sign up for MTA e-mail or text alerts at www.mta.info and check the Bridges and Tunnels homepage or Facebook page for the latest information on this planned work.
